September is New Generations Month

Reach Out to Youth in September

Taken from Rotary’s “Best of the Clipsheets”

In working with young people, our challenge is to develop their idealism and teach them constructive methods to effect change in the world. As this happens, each generation will make progress toward world peace and development. Consider this month how we can offer young people the guidance and support they need, for they are the future.

INTERACT CLUB

Our west side Interact Club - which is sponsored by both the Sunrise and West Wichita Rotary clubs – began their meetings for this new school year on Monday, September 6. They meet bi-monthly on the 1st and 3rd Mondays of each month during the school year. If you have any kids, grandkids, friends that are high school age and attend school on the west side, please encourage them to go to a meeting and check out the club.

ATTENTION COMMITTEE CHAIRS: The Interact Club will be lining out their schedule for this year, so if you have a service project that could include them, contact Mike Suellentrop: msuellen@sbcglobal.net

Group Study Exchange (GSE)

Our District’s GSE team, consisting of Team Leader DeAnn Sullivan and five team members, left for Denmark on August 20th with a return date of September 18. Visit their blog to follow their activities:
